

Berowra Valley Bushcare Camp

Saturday 17 and Sunday 18 March 2018

**Local Land
Services**

Welcome to the 2018 Bushcare Camp being held at Berowra Creek, Berowra Valley National Park. This special treat is an overnighter in the park and a chance to Bushcare by canoe in a new location.

Join us controlling lantana along the foreshores of Berowra Creek to protect saltmarsh. We will be camping at Crosslands and canoeing to the Bushcare sites each day. Bring your own canoe or use one of ours. There will also be a special guest sharing their experiences of estuarine areas.

Meet at 9am at Crosslands Reserve, Berowra Valley National Park. All catering will be provided, along with bush regeneration tools and on-site training. A limited amount of camping equipment is also available if needed.

Numbers are limited and booking is essential. RSVP to Bec Mooy at rebecca.mooy@lls.nsw.gov.au or on 02 4724 2120 to reserve your spot.
