

BUSHCARE TRAINING

Introduction to Bush Regeneration Course

Saturday 25th March, 9am - 4pm (RSVP by 23rd March)

Saturday 8th April* Ryde Council, Field of Mars Reserve

This free introductory 1-day course includes bush regeneration principles, techniques & tools, weed recognition skills, safety in the bush, field demonstrations & an information package for every participant. Please bring your own lunch.

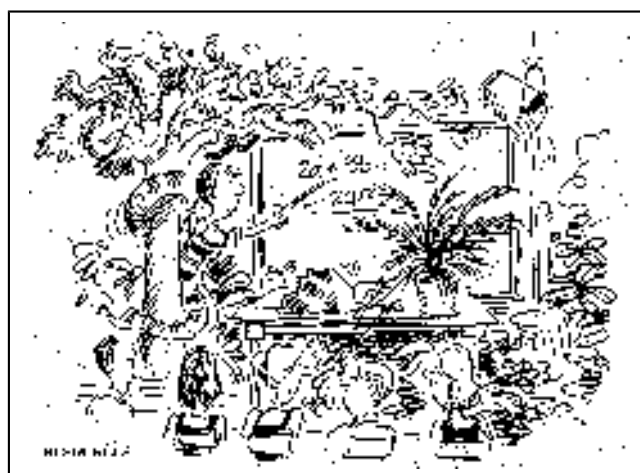

HIGHLY RECOMMENDED for all new volunteers.

Weed Identification

Saturday 1st April, 9am - 4pm (RSVP by 30th March)

A good follow up to the Introduction to Bush Regeneration workshop, this free 1 day course looks at weed identification, classification and treatment techniques in greater detail.

Recommended for new and existing volunteers.

Venue: Jenkins Hall, Lane Cove National Park (*except 8th April)

Bookings are essential to secure a place on a course.

Please RSVP to Matt Springall by leaving the following details:
